

Manager Agreement Form

For All Senior Softball World Championships Events

Team may be disqualified if Manager does not sign before first pitch of the Tournament

As manager or representative of my team, I agree to make my players aware of the following conditions for participation. If any player does not agree with these conditions, I will not allow them to participate and I will immediately inform the Tournament Director.

1. Release (Injury to Player or to Personal Property)

In consideration of acceptance of our entry, we waive any and all claims for ourselves and our heirs and hold harmless Senior Softball World Championships, Inc., (hereafter, "SSWCI") its Board of Directors, Senior Softball USA, LLC (hereafter, "SSUSA"), any municipal or park facility employees, their agents or employees and Tournament Directors and sponsors from and against any and all loss liability, charges and expenses (including attorney's fees) and causes of action of whatever character which may arise by travel to and from, and participation in, SSWCI events.

2. Player Responsibility for Procuring Insurance

We are fully aware that SSWCI and SSUSA do not carry, or provide, any medical insurance for any participants and that we are solely responsible for procuring our own insurance and that our team is responsible for procuring its own insurance.

3. Assumption of Risk

I recognize that we assume all risks involved arising from our participation in this Tournament and we knowingly undertake the inherent risks of the sport.

4. Softball Skills

I am familiar with the skills required to participate in an event sponsored by SSWCI and SSUSA (including batting, fielding, running and throwing) and have satisfied myself that my team and its players are proficient in these skills.

5. Bat Policy Agreement

I will inform all of my players for the following condition for participating in any SSWCI event:

Penalty for Using an Altered Bat: "If a bat is suspected of being altered to enhance performance, the tournament committee will determine if the bat will continue in play or be held for inspection. If the player refuses to turn over the bat, the player will be suspended for 10 years and the manager for one year and the team will forfeit all games. If the player voluntarily releases the bat and it is found to be altered to enhance performance, the player will be suspended for 5 years and the manager for one year. A second offense may result in the lifetime ban of the player."
